Science Conclave-Cum-National Biomedical Research Competition-2025

The Science Conclave-cum-NBRCOM is the flagship annual event of SYBS, designed to foster multidisciplinary research, innovation, and collaboration across Life Sciences, Pharmaceutical Sciences, and Health Sciences. It brings together researchers, academicians, clinicians, and industry professionals from across India and abroad to exchange ideas, present innovations, and build impactful scientific networks. The Science Conclave-cum-National Biomedical Research Competition (NBRCOM) 2025 is the 6th edition of a nationally acclaimed scientific event dedicated to fostering excellence and innovation in biomedical research. Organized by the All India Institute of Medical Sciences (AIIMS), Jodhpur, under the aegis of the Society of Young Biomedical Scientists (SYBS), India, this unique hybrid conclave serves as a convergence point for the brightest young minds, leading scientists, academicians, clinicians, and industry experts in the biomedical field.

Vision and Objectives:

The conclave is envisioned to:

- Promote transdisciplinary biomedical research and knowledge-sharing across domains.
- Provide a national platform for young researchers to present and refine their scientific work.
- Foster collaborations between academia, industry and research institutions.
- Encourage innovation in healthcare, life sciences, pharmaceutical sciences, biotechnology, and clinical research.

Key Highlights of NBRCOM 2025:

- Scientific Sessions: Keynote talks, expert panels, and thematic discussions by distinguished national and international speakers.
- Research Competitions: Oral and poster presentations judged by eminent scientists and clinicians.
- Industry-Academia Meet: Connect with top pharmaceutical and biotech companies, startups, and funding agencies.
- Young Researcher Awards: With total prize money worth 15 Lakhs Rupees for top-ranked researchers in Life, Health and Pharmaceutical Sciences.
- Best Presentation Awards for participants ranked 6th to 10th in each category.

Participants:

- UG, PG, Resident doctors, PhD Scholars, Postdocs, Scientists, Clinicians, Faculty Members.
- Representation from institutes of national importance like AIIMS, IITs, PGIMER, ICMR, CSIR, NIPERs, Central Universities, and industry R&D centers.
